

CURRICULUM VITAE

NAME: Suzanne Marie Quardt, M.D.

SPECIALTIES: Plastic & Reconstructive Surgery
Aesthetic & Breast Surgery
Pressure Ulcer Management / Spinal Cord Injury
Complex Wound Management

BUSINESS ADDRESSES:

Santa Fe Square
43-585 Monterey Ave., Suite 7
Palm Desert, CA 92260
Phone: (760) 773-6616
Fax: (760) 773-6618
(01/07 to present)

Rancho Los Amigos National Rehabilitation Center
Plastic & Reconstructive Surgery; Pressure Ulcer
Management Service; JPI 3 North
7601 E. Imperial Highway
Downey, CA 90242
Phone: (562) 401-7167
Fax: (562) 401-6247
(3/06 to present)

E-MAIL: drquardt@quardt.com
drsquardt@yahoo.com

WEBSITE: www.palmdesertplasticsurgery.com

DATE OF BIRTH: April 9, 1969

PLACE OF BIRTH: New York City, New York

CITIZENSHIP: USA

PREVIOUS PRIVATE PRACTICE: The Plastic Surgery Institute
71949 Highway 111, Suite 300
Rancho Mirage, CA
Phone: (760) 568-2211
Fax: (760) 568-3311
(5/06 to 1/07)

PREVIOUS PRIVATE PRACTICE (cont.):

Plastic Surgery Institute of Beverly Hills
435 North Roxbury Drive, Suite 100
Beverly Hills, CA 90210
(5/06 – 6/06)

Devine Image
13132 Newport Ave., Suite 200
Tustin, CA 92780
(5/06 to 9/06)

Private Practice- Plastic & Reconstructive Surgery
2001 Santa Monica Boulevard
Suite 1180 West
Santa Monica, CA 90404
(1/06 – 5/06)

EDUCATION / TRAINING:

American Board of Plastic Surgery: Candidate Member
(presently preparing for Oral Boards Examination)

American Board of Plastic Surgery: Successfully Passed
National Written Examination (10/2006)

University of Southern California-
Marina Plastic Surgery Associates
Marina del Rey, California
Aesthetic Surgery Fellow (7/1/2005 – 12/31/2005)

University of Southern California-
Rancho Los Amigos National Rehabilitation Center
Pressure Ulcer Management/ Plastic & Burn
Reconstructive Surgery
Department of Surgery / Plastic Surgery
Downey, California
Plastic Surgery Fellow (7/1/2004 – 6/30/2005)

University of Southern California- Keck School of
Medicine
Division of Plastic Surgery
Los Angeles, California
Plastic Surgery Resident (2001 – 2004)

University of Southern California- Keck School of
Medicine
Department of Cardiothoracic Surgery
Los Angeles, California
Cardiothoracic Research Fellow (1999 – 2001)

University of Southern California – Keck School of
Medicine
Department of Surgery
Los Angeles, California
General Surgery Resident (1997 – 2001)

EDUCATION / TRAINING (cont.):

University of Southern California- Keck School of
Medicine
Department of Surgery
Los Angeles, California
Surgery Intern (1996 – 1997)

University of Medicine & Dentistry of New Jersey- New
Jersey Medical School
Newark, New Jersey, 1992 - 1996
Doctor of Medicine (May 1996)

Rutgers College, Rutgers University
New Brunswick, New Jersey, 1987 - 1991
Bachelor of Arts (B.A.) in Biology (1991)

Parsippany High School
Parsippany, New Jersey (1983 – 1987)

MEDICAL LICENSURE:

California, 1998

HOSPITAL AFFILIATIONS:

Rancho Los Amigos National Rehabilitation Center-
(Downey, CA)
Eisenhower Memorial Medical Center- (Rancho Mirage,
CA)

PREVIOUS HOSPITAL AFFILIATIONS:

Saint John's Health Center- (Santa Monica, CA)
Centinela Freeman Memorial Medical Center-
(Inglewood, CA)
Centinela Freeman Marina Campus Medical Center-
(Marina del Rey, CA)
Good Samaritan Hospital- (Los Angeles, CA)

CURRENT OUTPATIENT SURGERY CENTER AFFILIATIONS:

Hope Square Surgical Center (Rancho Mirage, CA)
Aurora Surgery Center (Palm Desert, CA)
Ocean Park Surgical Center (Venice, CA)
Summit Surgery Center (Beverly Hills, CA)
Modern Institute of Plastic Surgery (Beverly Hills, CA)

HONORS AND AWARDS:

University of Medicine & Dentistry of New Jersey-
New Jersey Medical School Faculty Organization Award
for Outstanding Research Project (1993)

Garden State Distinguished Scholar Scholarship Recipient
for Rutgers University (1987 – 1991)

Music Education Council Classical Piano Competition-
First Place Winner- Performance at Carnegie Recital Hall,
New York City, NY

National Honor Society

Golden Key National Honor Society

HONORS AND AWARDS (cont.):

Most Outstanding Pledge of Sigma Kappa Sorority and
Second Vice President in charge of Membership (1989-
1990)

Founding Member of Rutgers Performing Dance Club
(1990-1991)

Various awards for outstanding dance choreography (hip-
hop / street-jazz)

RESEARCH:

University of Southern California-
Marina Plastic Surgery Associates
Clinical Aesthetic Surgery Research (7/1/2005 – Present)

University of Southern California-
Rancho Los Amigos National Rehabilitation Center
Department of Plastic & Reconstructive Surgery
Pressure Ulcer Management
Clinical Research (7/1/2004 – Present)

University of Southern California- Keck School of
Medicine
Department of Cardiothoracic Surgery
Research Fellow (1998 – 2000)

University of Medicine & Dentistry of New Jersey-
New Jersey Medical School
Department of Physiology
Division of Microcirculatory Research
Summer Research Student (summer of 1993)

University of Medicine & Dentistry of New Jersey-
Robert Wood Johnson Medical School
Department of Physiology / Biophysics
Heart & Brain Circulation Laboratory
Senior Lab Technician (1991 – 1992)

SCIENTIFIC MEETINGS / PRESENTATIONS:

California Society of Plastic Surgeons Meeting in Las
Vegas, Nevada. Oral presentation: “Extreme Asymmetry
Corrected with One-Stage Breast Augmentation
Combined with Mastopexy: A Review of 40 Patients for
Safety and Efficacy” (June 2006)

California Society of Plastic Surgeons Meeting in Las
Vegas, Nevada. Oral Presentation: “Preoperative
Indicators of Risk for Primary Breast Augmentation
Combined with Mastopexy: A Review of 186
Consecutive Cases for Safety and Efficacy” (June 2006)

**American Society of Transplantation / American
Society of Transplant Surgeons** Meeting – Poster
presentation in Chicago, Illinois (May 2000)

SCIENTIFIC MEETINGS / PRESENTATIONS (cont.):

Annual Microcirculatory Society Meeting- Poster Presentation in Anaheim, California (April 1994)

University of Medicine & Dentistry of New Jersey- New Jersey Medical School **Summer Student Research Symposium**- Oral presentation in Newark, New Jersey (December 1993)

PEER-REVIEWED ARTICLES:

Stevens WG, Stoker DA, Freeman ME, **Quardt SM**, Hirsch EM. Mastopexy Revisited: A Review of 150 Consecutive Cases for Complication and Revision Rates, *Aesthetic Surg Journal* 27(2): 150-154, 2007.

Stevens WG, Stoker DA, Freeman ME, **Quardt SM**, Hirsch EM, Cohen R. Is One-Stage Breast Augmentation With Mastopexy Safe and Effective? A Review of 186 Primary Cases. *Aesthetic Surg Journal* 26(6): 674-681, 2006.

Wells W, Malas M, Baker CJ, **Quardt SM**, Barr ML. Depopulated vena caval homograft: a new venous conduit. *J Thorac Cardiovasc Surg* 126(2):498-503, 2003.

Baker CJ, **Quardt SM**, Kim JD, Darbinian SH, Starnes VA, Barr ML. A novel paracorporeal method for isolated rodent lung reperfusion. *Transplantation* 71(9):1244-8, 2001.

Quardt SM, Baker CJ, Barr ML. Evidence-based approaches to perioperative management in lung transplantation. *Graft* 3: S60-66, 2000.

Kim JD, Baker CJ, Roberts RF, Darbinian SH, Marcus KA, **Quardt SM**, Starnes VA, Barr ML. Addition of platelet activating factor acetylhydrolase to intracellular organ preservation solutions decreases lung reperfusion injury. *Ann Thorac Surg* 70:423-28, 2000.

Ramirez MM, **Quardt SM**, Kim D, Oshiro H, Manniccozzi M, Duran WN. Platelet-activating –factor modulates microvascular permeability through nitric oxide synthesis. *Microvascular Research* 50:223-34, 1995.

PEER-REVIEWED ABSTRACTS:

Baker CJ, **Quardt SM**, Starnes VA, Barr ML. A novel paracorporeal method for isolated rodent lung reperfusion. *Transplant* 69:S201, 2000.

Barr ML, Baker CJ, **Quardt SM**, Schenkel FA, Starnes VA, Cocco CA, McLaughlin SM, Stouch BC, DeNofrio D, Eisen HJ. Photopheresis for the treatment of refractory cardiac rejection: An open label rescue trial. *Transplant* 69:S294, 2000.

Quardt SM, Kim D, Duran WN. Modulation of microvascular permeability by platelet-activating-factor is mediated by nitric oxide synthesis. *FASEB Journal* 8:A1054, 1994.

RECENT ABSTRACTS (2005 - 2007):

Quardt SM, Stoker DA, Hirsch EM et al. Preoperative indicators of risk for primary breast augmentation combined with mastopexy: A review of 186 consecutive cases for safety and efficacy. (Submitted for presentation at the ASAPS in NYC for April, 2007.)

Quardt SM, Stoker DA, Hirsch EM et al. Extreme breast asymmetry corrected with one-stage breast augmentation combined with mastopexy: A review of 40 cases for safety and efficacy. (Submitted for presentation at the ASAPS in NYC for April, 2007.)

Quardt SM, Stoker DA, Hirsch EM et al. Preoperative indicators of risk for primary breast augmentation combined with mastopexy: A review of 172 cases. (Presented at the CSPA 2006)

Quardt SM, Stoker DA, Hirsch EM et al. Extreme breast asymmetry corrected with one-stage breast augmentation combined with mastopexy: A review of 40 cases for safety and efficacy. (Presented at the CSPA 2006)

Quardt SM, Stoker DA, Hirsch EM et al. Is one-stage breast augmentation combined with mastopexy safe and effective? A review of 172 primary cases.

Quardt SM, Stoker DA, Hirsch EM et al. A review of 100 cases of secondary combined breast augmentation with mastopexy: Indications, safety and efficacy.

Quardt SM, Stoker DA, Hirsch EM et al. Mastopexy Revisited: A review of 42 consecutive cases for safety and efficacy.

PAST RESEARCH PROJECTS (July 1999 –June 2000):

University of Southern California (Cardiothoracic Surgery & Transplant Biology Research Laboratory): An orally-bioavailable chemokine CXCR3-receptor antagonist inhibits cardiac allograft rejection with Cyclosporin A in a rat allograft cardiac transplantation model: project headed under the advisement of Mark Barr, MD and Donald Kramer, PhD. Performed microsurgery including heterotopic cardiac allograft transplantation in rats, cardiac allograft harvesting, immunohistochemistry and analysis.

CURRENT RESEARCH PROJECTS:

One-stage Combined Breast Augmentation with Mastopexy: Retrospective analyses of results in a single center, large series of primary and secondary surgical patients: project headed under W. Grant Stevens, MD and David A. Stoker, MD, Marina Plastic Surgery Associates.

“Extreme Asymmetry Corrected with One-Stage Breast Augmentation Combined with Mastopexy: A Review of 40 Cases for Safety and Efficacy: Retrospective analyses of results in a single center, large series of primary and secondary surgical patients: project headed under W. Grant Stevens, MD and David A. Stoker, MD, Marina Plastic Surgery Associates.

“Preoperative Indicators of Risk for Primary Breast Augmentation Combined with Mastopexy: A Review of 186 Consecutive Cases: Retrospective analyses of results in a single center, large series of primary and secondary surgical patients: project headed under W. Grant Stevens, MD and David A. Stoker, MD, Marina Plastic Surgery Associates.

Rancho Los Amigos National Rehabilitation Center: Current Protocol for the Successful, Surgical Management of Complex Pressure Ulcers: project headed under Salah Rubayi, MD, Chief of Surgery, Chief of Plastic Surgery, Founder and Director of the Pressure Ulcer Management Service.
